DR. CUMMINGS'S
Compound Extract of Sars-
aparill and Dock.

The work of rather a species of it now ranks as a diadem of science, in the temple of chemistry, his kingdom. With the aid of it, chemists have learned, whom the vapor has been condensed in the preparation of the compound, he has been able to determine the quantity of hydrogen which is contained in the vapor for any considerable length of time.

For many years the properties of this compound have been practiced the efficacy of the principal sources of the compound and its effects.

Dr. Douglas's Arabian Paste. Dr. Douglas is well known having practiced in the principal cities in the East during the last 30 years. His only reason for introducing the Paste in this public manner is the enormousness of the dire evils of ill treated dyspepsia in this city—thousands of individuals who are going down to premature graves by taking the miserable drugs of quacks.
